Donate to the Keith Reemtsma Lecture Endowment Fund

The International Xenotransplantation Association has developed the Keith Reemtsma Lecture Endowment Fund to enable an eminent scientist who has contributed to the field of xenotransplantation to share his or her research findings at the biennial IXA Congress. The Endowed lectureship will pay travel costs for the invited speaker to attend the IXA Congress.

Donors can choose an individual donation amount or choose from one of the amounts listed. Charitable tax receipts issued in US dollars will be issued to all donors at the end of the tax year. All donations are tax-deductible to the full extent of the law; for donors outside of North America please consult with your tax advisor regarding specific questions about your deductions.

The IXA is also able to accept donations of stocks or securities, for more information on this type of donation please contact Sondra Livingston, Sections Manager (sections@tts.org).

Thank you in advance for considering a donation to support the legacy and contribution of Dr. Keith Reemtsma, your donation will be acknowledged on the IXA website.
