Live Surgery Symposium

Korea is very specialized in living donor transplantation. We will offer a LIVE surgery symposium at TTS2020.

It's time for Seoul

Over the past 50 years, the International Congress of the Transplantation Society has been held in Asia only once. Now, Asian countries are very active in transplantation research and have been making great strides. Korea as the leading country in the Asian region can share our knowledge and technology with TTS members as well as provide a unique Korean cultural experience.

Venue, Coex

The venue for the TTS2020 is a business and cultural hub located in the heart of Gangnam, Seoul's business district. A convention center, city air terminal, hotels, shopping mall, and a convenient subway connection—all connected through an underground network. Plenary Session for 3,500 Delegates, 9 Breakout Sessions for 300~1,000 Delegates

Accommodations

There are 47 hotels with 11,000 rooms within 10km (6.2miles) from venue, Coex. The price ranges from USD 50 to USD 280.

Warm Hospitality

The biggest asset of Korea is its people, who are very friendly and hospitable.

The City That Never Sleeps

Not only is Seoul active 24 hours a day, it is also a safe, so you can feel free to explore the city any time of day or night.
