TTS New Key Opinion Leader Meeting

Goa, India

February 24-27, 2011

Scientific Committee

TTS Executive Representatives

Jeremy Chapman, Minnie Sarwal and Manikkam Suthanthiran

Indian TTS Representatives

(Kidney Group)

**Georgi Abraham, Alan F. Almeida, Sandeep Guleria, Vijay Kher,
Vivekanand Jha, and R. Ravi Raju**

(Liver Group)

Subash Gupta, Mohamed Rela and Arvinder Singh Soin

Thursday, Feb 24th, 2011

5.00 pm – 7.30 pm

Session 1 Management of the Highly Sensitized Allograft Recipient

Chairs- G Abraham, J Chapman

Presentation 1.1 HLA & Antibody Testing in India: A Status Report

Speakers- D Daniel (10m), N K Mehra (10m), Discussion (10m)

Presentation 1.2 The Pre-sensitized Recipient- Impact and Treatment Options

Speaker- M Suthanthiran (20m), Discussion (10m)

Presentation 1.3 Diagnosing and Treating Antibody Mediated Rejection

P Roy Chaudhury (20m), Discussion (10m)

**Presentation 1.4 The Challenge of Transplanting a Positive Cross Match Recipient
(30m)**

Case Presenter- V Jha (5-7m)

*Panel- B V Gandhi, C M Thiagarajan, M Suthanthiran, P Roy Chaudhury
(23-25m)*

**Presentation 1.5 The Challenge of Immunosuppression of the Immunologically High
Risk Recipient (30m)**

Case Presenter- S Gang (5-7m)

Panel- A Srivastava, H Ekberg, P P Varma, V Kher (23-25m)

8.00 pm

Pre-dinner Address

Indian Deceased Organ Donation Program – The Way Ahead

Chair- F Delmonico, M Suthanthiran

**Indian National Program for Deceased organ Donation –
Accomplishment, Challenges and opportunities (20m)**

Presenter- N K Mohanty

**South State Program for Deceased Organ Donation –
Accomplishment, Challenges and opportunities (20m)**

Presenter- T Ravi Raju

Dinner

8.30 am - 10.00 am

Session 2 **the Living Organ Donor: Challenges and Opportunities**

Chairs- M Rela, M Minz

Presentation 2.1 **Living Renal Donors in India**

Speakers- S Guleria (15m), Discussion(15m)

Presentation 2.2 **Living Liver Donors- Donor Selection and Technical Aspects of Donor Hepatectomy**

Speaker- A S Soin (10m),

Steps for Safe Donor Hepatectomy

Speaker- S Gupta (10m), Discussion (10m)

Presentation 2.3 **Outcome of Living Donors**

Speakers- S Chan- Liver (10m), A Kumar- Kidney (10m), discussion(10m)

BREAK

10.00 am – 10.30

10.30 am – 12.30

Simultaneous sessions 3A and 3B

Session 3 A **Differential Diagnosis of Renal Allograft Dysfunction**

Chairs- H Ekberg, V Sakhuja

Presentation 3.1 **Case of Surprising Findings from a Protocol Biopsy (10m+20m panel)**

Case Presenter- S Jasuja (10m)

Panel- G T John, Gokulnath, H Patel, S Agarwal

Presentation 3.2 **A Case of AMR (10m +20m panel)**

Case Presenter- M M Bahadur

Panel- C Madiwale, K V Dakshinamurthy, P Roy Chaudhury, V Pathak

Presentation 3.3 **Yorkers in Rejection**

Case Presenter- P P Varma

Panel- D S Rana, R Ravichandran, Swarnalatha, R Angral

Presentation 3.4 **A Case of Viral Nephropathy (10m +20m panel)**

Case Presenter- V Jha

Panel- C K Jacob, K Joshi, Nisith Mohanty, U K Sharma

Parallel Session

Session 3B **Problems in Liver Allografting**

Chairs- K Subba Rao, Y Chawla

Presentation 3.5 Delayed Graft Function (10m + 20m Panel)

Speaker- M Wadhawan

Panel- Sudhindran, A Khakhar, R Vasudevan,

Presentation 3.6 Case of Steroid Resistant Rejection (10m + 20m Panel)

Case Presenter- S Saigal

Panel- M Rela, N Saraf, V Pamecha

Presentation 3.7 Case of Recurring HCV Infection (10m + 20m Panel)

Case Presenter- S Naresh

Panel- G Narasimhan, J Varghese, V Bhatia

Presentation 3.8 Case of Hepatic Artery Thrombosis (10m + 20m Panel)

Case Presenter- V Pamecha

Panel- R Kakodkar, A Rastogi, V Kumaran, R Mohanka

LUNCH

12.30 pm – 1.30 pm

1.30pm – 3.00pm

Session 4 **Simultaneous Workshops**

Workshop 1 Pediatric Transplantation: Current Status and Future Prospects

Chairs- M Suthanthiran, V Tamilarasi

Meet the Professors: A Bagga, M Sarwal

W1.1 Question 1 QUESTION TO BE INCLUDED

M Shah (Q- 5m, discussion- 12m)

W1.2 Question 2 QUESTION TO BE INCLUDED

S Gulati (Q- 5m, discussion- 12m)

W1.3 Question 3 QUESTION TO BE INCLUDED

P Hari (Q- 5m, discussion- 12m)

W1.4 Question 4 QUESTION TO BE INCLUDED

M Sahay (Q- 5m, discussion- 12m)

W1.5 Question 5 QUESTION TO BE INCLUDED

K Mehta (Q- 5m, discussion- 12m)

The questions should be as per the following topics and To be circulated to all participants

Q1: Pre Transplant Issues

Q2: Intra Transplant Issues

Q3: Post Transplant Issues (Focused on IS)

Q4: Infection in Pediatric Recipients

Q5: Other Complications (Like Growth retardation etc.)

Workshop 2 Management of Infection in Transplantation Recipients

Chairs: P Roy Chaudhury, Sampath Kumar

Presentation W2.1 Tuberculosis (15m)

Presenter- S Mahajan

Presentation W2.2 CMV (15m)

Presenters- R K Sharma

Presentation W2.3 Hepatitis C (15 Min)

Presenter- J Kothari

Presentation W2.4 HIV (15 Min)

Presenter- V Kher

Presentation W2.5 Bacterial Infections (15 Min)

Presenter- Ram R

Presentation W2.6 Viral and Fungal Infections (15 Min)

Presenter - Gokulnath

Workshop 3 Liver Transplantation: Current Status and Future Prospects

Chairs: A Ramamurthy, P Dargan

Meet the Professors: A S Soin, M Rela, S Chan, S Gupta

W1.1 Question 1 Combined Liver & Kidney Transplant

R Mohanka (Q- 5m, discussion- 10m)

W1.2 Question 2 Acute Liver Failure- Indication for Transplant in India

N Saraf (Q- 5m, discussion- 10m)

- W1.3 Question 3** **CMV Prophylaxis**
A Khakhar (Q- 5m, discussion- 10m)
- W1.4 Question 4** **What is the Ideal Graft Recipient Body Weight Ratio**
N Mehta (Q- 5m, discussion- 10m)
- W1.5 Question 5** **Should the MHV be with the Graft or with the Donor**
R Vasudevan (Q- 5m, discussion- 10m)
- W1.6 Question 6** **Preoperative Evaluation of the Recipient**
S Aneja (Q- 5m, discussion- 10m)

BREAK

3.00 pm – 3.30 pm

3.30pm – 5.30pm

Session 5A **Immunosuppression: The Current State of the Art**

Chairs- A L Kirpalani, V N Unni

Presentation 5.1A **The Tricky Question of Doses and Blood Levels (20m, 10m discussion)**

Presenter- H Ekberg

Presentation 5.2A **Use of Induction Therapy (10m + 15m Panel)**

Presenter- V Kher

Panel- M Suthanthiran, C M Thiagarajan, S Sundar, S Bichu

Presentation 5.3A **Immunosuppression Minimization Strategies (10m + 15m panel)**

Presenter- S Pokhariyal

Panel- B Subba Rao, C M Thiagarajan, K S Ramalingam, U Oza

Presentation 5.4A **Switching drugs – the Issue of Multiple Generics (10m +10m+ 20 m panel)**

Presenter- G Basu, S Guleria

Panel- A F Almeida, A Huilgol, S Gulati, V Jha

3.30pm – 6.00pm

PARALLEL SESSION (LIVER)

Session 5B **Pediatric Liver Transplantation**

Chairs- Sudhindhran, S Chan

Presentation 5.1B **Indications for Pediatric Liver Transplant (10m, 5m discussion)**

Presenter- A Sibal

Presentation 5.2B Results for Pediatric Liver Transplant in India (10m, 5m discussion)

Presenter- N Mohan

Presentation 5.3B Liver Transplant for Neonates/ Monosegmental Grafts (10m, 5m discussion)

Presenter- M Rela

Presentation 5.4B Portal Vein Reconstruction in Pediatric Liver Transplants (10m, 5m discussion)

Presenter- A S Soin

Presentation 5.5B Preventing Biliary Complication (10m, 5m discussion)

Presenter- N Goyal

Presentation 5.6B How to Prevent HAT in Children (10m, 5m discussion)

Presenter- S Gupta

Presentation 5.7B Immunosuppression in Children (30 Minutes)

Panel- R Kakodkar, N Mohan, R Perumalla, V Bhatia

BREAK

5.30 pm – 6.30 pm

6.30pm – 7.30pm Cocktail Reception

7.30 pm Dinner

Saturday, Feb 26th, 2011

8.30am- 10.30 am

Session 6 Deceased Organ donation in India

Chairs: H Ekberg, T Ravi Raju

Presentation 6.1 Allocation and Organ Sharing programs in USA (20m)

Presenter- F L Delmonico

Presentation 6.2 Allocation and Organ Sharing programs in India – North (20m)

Presenter- A Vij

Presentation 6.3 Allocation and Organ Sharing programs in India – South (20m)

Presenter- S Shroff

Presentation 6.4 Allocation and Organ Sharing programs in India – West (20m)

Presenter- V Trivedi

Presentation 6.5 Religious attitudes in India- (20m)

Presenter- L Raghuram

Presentation 6.6 Community attitudes in India- (20m)

Presenter- N Almeida

BREAK

10.30 am – 11.00 am

11.00am- 12.30 pm

Session 7 Deceased Organ donation in India

Chairs- F L Delmonico, N K Mohanty

Panel Discussion Overcoming Challenges

Panel- L Raghuram, UK Sharma, V Trivedi, V Satti Reddy, G Narasimahan

Donor Identification

Lead- U K Sharma (18m)

Definition of Death

Lead- V Satti Reddy (18m)

Training Coordinators

Lead- V Trivedi, (18m)

Training for Consenters

Lead- L Raghuram, (18m)

Training for Surgical retrieval

Lead- G Narasimhan (18m)

LUNCH

12.30pm- 1.30 pm

1.30pm- 3.00 pm

Session 8 From the Laboratory to Clinical Practice

Chairs- M Sarwal, R K Sharma

**Presentation 8.1 Biomarkers to Predict/ Prognosticate Allograft Status
(20m, 10m Discussion)**

Presenter- M Suthanthiran

Lead Discussant- G Abraham

**Presentation 8.2 Biomarkers to Optimize/ Individualize therapy
(20m, 10m Discussion)**

Presenter- M Sarwal

Lead Discussant- V Jha

**Panel Discussion Developing Collaborations and Transfer of Technologies to India
(30m)**

Panel- A R Dutta, N K Mehra, P Roy Chaudhury, V Raina

3.00 pm

Close: Dr Francis Delmonico

DINNER

7.00 pm

Departures arranged for Feb 27th, 2011

The Transplantation Society Would Like to Thank

Panacea Biotec Limited- India

for Supporting the 2011 New Key Opinion Leader Meeting

in Goa, India Through an Unrestricted Educational Grant
